Treść

We are visionaries who see things differently and are inspired by the world around us. We have been dedicated to using applied science to improve the quality of life for over half a century. Committed to feed and food safety, Kemin maintains top-of-the-line manufacturing facilities where over 500 specialty ingredients are made for humans and animals in the global feed and food industries, as well as the health, nutrition, beauty and textile markets. We provide product solutions and options to customers in more than 120 countries.

A privately held, family-owned and operated company, Kemin has more than 3,000 global employees and operates in 90 countries including manufacturing facilities in Belgium, Brazil, China, India, Italy, Singapore, South Africa and the United States.
